

ABOUT SYMETRI

We turn AI into tangible business value, so you can focus on your work and your projects.

You gain access to tailored digital solutions that make your workflows smarter, more efficient, and more sustainable. As an Autodesk Platinum Partner, Authorised Training Centre, and Global Service Provider, we help you optimise and streamline your processes from start to finish.

We help you gain an overview of the AI opportunities that create the greatest value for your business – and ensure that your AI initiatives are translated into measurable business results.

AI STRATEGY WORKSHOP

With Symetri’s AI Strategy Workshop, you gain an overview of the most value-creating AI opportunities for your business, along with a clear step-by-step roadmap that ensures they are translated into tangible results.

BENEFITS OF SYMETRI AI STRATEGY WORKSHOP

- Identify AI opportunities that truly create value
- Make AI tangible – test, prioritize, and implement
- Turn AI initiatives into measurable results
- Get started quickly and see immediate impact

WHAT’S INCLUDED IN THE WORKSHOP?

The workshop can include the following (customized to your company):

- Review of processes and opportunities (assessment)
- AI in Autodesk products
- AI visualization (concepts and customer dialogue)
- Automated data processing
- Setup of AI agents for repetitive tasks
- Use of MCP for structure and data flow

The workshop is conducted onsite at Symetri from 09:00–15:00, including catering, plus an online follow-up session with handover of the strategic plan.

WHAT HAPPENS AFTER THE WORKSHOP?

After the workshop, we deliver:

- Description of concrete AI initiatives in your projects
- Identification of quick wins
- Recommendations for next steps and roadmap
- Handover meeting to ensure a strong start
