# Benefits of the Multi-Year Subscription

10% saving for a 3-year term

Protect against price increases for 3 years

Reduce risk of missed renewals

**Reduce costs** of annual procurement

Assured access for users

**More time to focus on business improvement** and not software administration

More predictable software costs

Confidence in your software entilement

Funds made available to reinvest (IT infrastructure, employees – training/development)

Finance options available

Some maths. Based on one seat, single-user, AEC Collection

AEC Collection 1 year = £2,715

AEC Collection 3 year = £7,330 (£815 saving with no assumed price increases over the period)

AEC Collection 1 year over 3 years assuming 10% annual increase = £2,715 + £2,986.5 + £3,285.15 = £8,986.65

Therefore, potential £1,657 saving over 3 years.

What can I do with my savings?

Bank it.

Reinvest in Workstations – approx. £1,300 and recommended to refresh every 3 years
